NAHB MEMBER IDENTIFICATION (ID) CODING INSTRUCTIONS

The NAHB Member Identification (ID) Code is made up of eleven data blocks which are explained below. It differs from the six-digit NAHB Membership numbers assigned to each member. The ID Code is designed for use by NAHB and its affiliated state and local associations to provide services which respond to the changing needs of our membership. If the requested data for a particular block is not applicable, enter a dash (-). Also, if you don't know the exact answer for a particular block, please give your best estimate. In order for an associate member to receive the Builder Magazine they must be classified with an occupation code ranging from (A-Z): A "Z" or "Other" classification code must also be further defined by writing the members specific occupation in the space provided. Any associate member not classified as outlined will not receive a copy of the Builder Magazine.

1st Block **Membership Classification:** Enter a "1" for Builder Member, or a "2" for Associate Members.

2nd Block **Primary Business Activity Code:** Enter the members most important business activity from the list of codes below. Enter the two-digit code for retail and wholesale dealers and subcontractors. Note: For "other" associate (code Z), you must fill in the blank for Other Business Classification if that member is to receive Builder Magazine.
